Digital Security Awareness

- Never click on links provided in SMSes or emails claimed to be sent by banks.
- Never disclose internet banking credentials or passwords to anyone, including persons claiming to be from banks or government agencies.
- Verify SMSes or emails received by calling the bank directly on the hotline listed on its official website.
- Transact only on the bank's official website, or through the bank's official mobile application.
- Closely monitor transaction notifications received from the bank so that any unauthorised payments are reported as soon as possible to increase the chances of recovery.
- Keep your devices updated with the latest security patches and anti-virus software
