

1

Log into Cyberbanking.  
Select **User Maintenance > Data Access Profile (DP)**.

The screenshot shows the BEA Singapore Corporate Cyberbanking interface. At the top, the logo for BEA 東亞銀行 and SINGAPORE CORPORATE CYBERBANKING is visible. The user is logged in as XXXXX. The main navigation bar includes 'User Maintenance' and 'My Details'. The 'User Maintenance' menu is expanded, showing two columns: 'USER MAINTENANCE' and 'ADMINISTRATION'. Under 'USER MAINTENANCE', the items are 'User List', 'Request Account (Creator only)', 'Function Access Profile (FP)', and 'Data Access Profile (DP)'. The 'Function Access Profile (FP)' item is highlighted with a red rectangular border.
