The screenshot shows a mobile app interface for 'OTP Verification'. At the top, there's a red header with a back arrow and the title 'OTP Verification'. Below the header, the section is titled 'SMS OTP Verification'. It displays 'Cyberbanking Account No. XXXXXXXXXX' and asks the user to 'Please enter the 6 digit OTP sent to your mobile no. 65-\*\*\*\*\*'. There are six empty boxes for entering the OTP digits. Below the boxes, it says '(93s remaining)'. A security notice states: 'For security, once you have confirmed, you can only release the funds at the branch.' Below this, there are two rows of account information: 'Account No.: XXXXXXXXXX' and 'Savings Account XXXXXXXXXX' with a 'Check Balance' link. The next row shows 'New Available Balance: SGD 912.78'. The final row shows 'Money Lock Amount: SGD 100.00'. At the bottom, there is a large 'Verify' button highlighted with a red border.
